EDUCATION

Bachelor of Science with Honors in Computing Science

Singapore Institute of Technology | September 2022 – Current

• Expected Graduation April 2025

Diploma in Multimedia and Infocomm Technology

Nanyang Polytechnic | April 2019 – April 2022

• Specialisation in Software and Applications

Polytechnic Foundation Programme

Nanyang Polytechnic | April 2018 – April 2019

GCE N Level Examinations

CHIJ Secondary | January 2014 - December 2017

WORK EXPERIENCES

Digital Intern

Alstom

September 2024 – Present

- Developed a web application for data collection and operational efficiency, utilizing NextJS,
 TypeScript, React Query, Tailwind CSS, Shadon, and Vite.
- Implemented the adoption of advanced full-stack practices, integrating real-time robot video feeds and enhancing system responsiveness with Shadow DOM and Vite.
- Led the design and iteration of user personas, user stories, and wireframes, significantly improving usability and user experience in close collaboration with UX designers and technical teams.
- Managed the integration of new technologies, boosting application scalability and performance during client demos.
- Collaborated with cross-functional teams to align technical solutions with business objectives.

Data Analyst Intern

NCS Pte Ltd

March 2021 - August 2021

- Showcased adeptness in software testing, encompassing tasks ranging from meticulous data preparation, visualization, and cleaning to thorough testing procedures, guaranteeing the integrity and reliability of data.
- Spearheaded the development and maintenance of robust data queries and pipelines utilizing SQL, ensuring optimized data retrieval, and processing.

- Collaborated closely on pivotal data architecture engineering decisions, contributing to the foundation supporting advanced analytics initiatives.
- Played a key role in cross-functional teams, partnering with project managers and technical leads to derive actionable insights. Utilized statistical analysis to provide comprehensive statistics.

ACHIEVEMENTS

Code Olympics 2023

March 2023

Second Prize

Director's List

Nanyang Polytechnic

Year 1 Semester 2 | Year 2 Semester 1 | Year 3 Semester 1

SEG Innovation Award

October 2020

Bronze Award

Star Awards – The Communicators

April 2019 - April 2020

CO-CURRICULAR ACTIVITIES

Computing Science Student Management Committee 2023 – Singapore Institute of Technology

- Organized and executed diverse events for the student body.
- Created engaging content for the course's social media platforms.

The Communicators – Nanyang Polytechnic

- Planned and executed events for the students of the club.
- Created content for Nanyang Polytechnic's social media platforms.
- Hosted multiple official Nanyang Polytechnic events.

SKILLS

- Proficient in programming languages such as C/C++, HTML/CSS, Python, SQL, JavaScript, jQuery and Java.
- Adeptness in Tableau, MS Applications, UX/UI Design, SQL/NoSQL databases and other software.
- Possess strong analytical and problem-solving capabilities, complemented by excellent organizational skills, adept teamwork, effective communication, leadership abilities, and high proficiency in public speaking.
